

April 15– May 15, 2022

Help CBF raise \$200,000 in Bay-saving funds and connect 3,000 peers in sustainable healthy habits.

Walk the Watershed inspires and connects people through a challenge to walk, run, skip, bike, or jump 200 miles, the approximate length of the Chesapeake Bay. Teams raise funds enabling restoration essential to save the Bay, and to connect with our environment and personal health. Registration is free, and CBF provides fundraising support, nature guides, pop-up challenges, and Bay-saving tips along the way.

Create or join a virtual team and commit to walking a combined 200 miles, the approximate length of the Chesapeake Bay. Invite friends and family to support your effort, and raise funds that will support our work and the wellbeing of the 18 million people living in the Chesapeake Bay watershed.

HOW IT WORKS — *Registration is free!*

SIGN UP

Create or join a team and set your fundraising and mile goals.

CREATE

Create your personal page and build your team.

SHARE

Share your experience and encourage others to do the same.

YOUR IMPACT

Every dollar raised by the steps you take will go back to our watershed communities through local restoration and education efforts.

\$25

can plant five native trees as a streamside buffer

\$50

can grow 5,000 native oysters to plant in the watershed

\$75

can send a student for a day of learning in and around the Bay

\$100

can build two reef balls to use as oyster habitat
